

Cascade Chamber of Commerce

January 2018

Current Member Renewal and New Chamber Member Application

This past year, Cascade has enjoyed an upturn in business and we look forward to increasing our membership and enjoying the presence of our continued members in this bright new year. The health of the Cascade Chamber of Commerce is very strong. The vitality of our Chamber helps keep Cascade, Idaho a destination for family fun for those who live here and for those who visit.

In 2017, our focus was to promote visitors to stop and visit Cascade. The Chamber developed four new videos to highlight the features of Cascade; Water Ways, Trails, Winter Time Fun, and Summer Time Fun. This year, we also focused on the 100 year Centennial and subsequent celebrations which was a huge success all throughout Valley County. These videos and events, plus others, can be found on the Cascade Chamber of Commerce website and on YouTube.

In addition to focusing on marketing, we will also be participating in many new and existing events for 2018. We are happy to announce the Iditarod Qualifications will be held January 28th – 31st. The qualification trail will begin in McCall, make its way through Cascade, then on to Smiths Ferry before looping back. Other events in the upcoming year include the Hardwater Classic on January 26th, The Perch Assault on February 10th and 11th. The Chamber will hold the Jamboree Dinner and Auction on February 10th to benefit the 4th of July fireworks, Tackle Toms Cascade Cup February 17th and 18th, Thunder Mountain Days 4th of July, the 4 Summit Challenge, Valley County Fair and Rodeo, the Harvest Festival, Old Mill Days, Halloween The Haunted Barn, our annual Hog Wild Dinner and Auction and so many more great events. We will work with members to promote events and activities around Cascade. Please make sure to email us or give us a call to help you promote your activities on all our platforms.

As of January 2018 the Chamber Meetings will be held the 2nd and the 4th Tuesday of each month. We are working on an after hour's business social stay tuned for further details. We will continue to check in with businesses to create meeting agendas and highlight businesses on our Facebook and at our meetings.

The Cascade Chamber of Commerce thanks you for the continued support from current members and we welcome the support of all new and potential members. We look forward to speaking with all of you, hearing your ideas and comments, and enjoying your participation in events during this new and exciting year.
