

Cascade Chamber of Commerce

We are excited to start 2019 with new opportunities, new ideas and a new Chamber Board to drive our mission! We deeply value each of our local businesses and look forward to strengthening our resources to better assist our thriving community. We plan to maintain events and efforts of previous years while continuing to build our presence in the community.

As a member of the Cascade Chamber, each business will be the featured business for two weeks on the Cascade Chamber Twitter, Instagram, Facebook and Website, with a short blog about the business and services offered. This will be great addition to advertising efforts!

The Cascade Chamber of Commerce will now operate out of 762 South Main Street, behind Umpqua Bank. Central access from downtown will assist visitors in finding information and will act as another avenue for businesses to share important information to community members and visitors. We are looking forward to developing this location to be the hub of resources for information on Cascade and the West Central Mountains!

Attached, you will find the **Membership Application for 2019**. Please complete the form and **return by March 15th** to capitalize on all of the benefits of being a 2019 Member. Fees have increased slightly in order to fund a part time employee to help facilitate the Chamber office and provide much needed support and communication for our businesses. Please mail your **application** and your **check** to P.O. Box 571, Cascade, Idaho 83611.

As we embark on new opportunities and develop a more substantial Chamber, we want to make sure we provide membership benefits that truly support our business's needs. We would greatly appreciate your feedback on a quick **Survey of Business Needs**. Please return the attached survey by March 15th so that we can start to implement requests and work to provide a framework for success.

We look forward to working together and value your feedback!
