Morgan will also follow up with the 4H on the tree farm, and discuss this years plan. We captured a lot of great notes and overall, hug success thank you to Morgan, Allison, and all the community members that helped make this event amazing. The kids that had booths fundraising did extremely well and estimated \$3,000 in total donations, sales, etc. So wonderful for them and look forward to doing that every year with them being a part of the event.

### V. Open to all Committee Members for new Discussions

1. We discussed several options we might explore to drive more traffic to stop in Cascade or have events that would draw people in.
2. We discussed creating a pass through Cascade Pass to have people stop at different places, get their card stamped and turn in for a prize. More thought into that and will see how we want to proceed.
3. There use to be a Cascade Riders/Cougar Mountain Snowmobile club fun run during the winter. Check with Dorothy to see if there are options or we can discuss further?
